Press and Information

All European Final of the European Moot Court Competition takes place at the Court of Justice of the European Union in Luxembourg on 6 May

The European Law Moot Court Competition is the world's largest Moot Court in EU Law. Organised for the first time during the 1988-1989 academic year, this competition has as its primary objective the promotion of practical knowledge of EU law amongst law students.

Law students, who have already made their way through a tough selection of around 80 teams since September 2021 when the European Law Moot Court Competition was launched, will plead on 6 May before panels composed of Members of the Court of Justice and the General Court of the European Union. The competing teams represent six universities from different countries. They won their respective Regional Finals which were held in March 2022 in Barcelona and Madrid.

Students from EU Member States and certain non-EU countries notably the USA and Switzerland participated in the competition.

The final is the last stage of this competition, which has been held at the Court of Justice since 1991.
