- **Is it a request for us to fulfil a contract with you, i.e. to supply the mentioned periodicals for the time stated?**

Once the contract has been awarded, the periodicals will be provided by the contractor.

- **En los LOTES no figura ninguna suscripción de nuestra editorial. No están interesados en nuestras suscripciones?**

The Court of Justice has sent a corrigendum to the Official Journal to publish (on 01.07.2017, OJS 124) an extension of the deadline from 28 June 2017 to 28 July 2017 and to establish a new date for the opening of the tender which will take place on 04 August 2017, at 10.30.

- **Can we negotiate now a price for some titles instead of following all the whole procedure?**

The Court of Justice of the European Union is bound to apply the Financial Regulation which establishes the principles and procedures to be followed by all the Institutions of the European Union. None of the titles included in the Annex 5 of the tender specifications can be subject of a negotiated procedure before the conclusion of the published open procedure.
