## **All European Final of the European Moot Court Competition takes place at the Court of Justice of the European Union in Luxembourg on 13 April**

The European Law Moot Court Competition is the world's largest Moot Court in EU Law. Organised for the first time during the 1988-1989 academic year, this competition has as its primary objective to promote practical knowledge of EU law amongst law students.

Law students, who have already made their way through a tough selection of around 70 teams since September 2017 when the European Law Moot Court Competition was launched, will plead on 13 April before panels composed of Members of the Court of Justice and the General Court of the European Union. The competing teams represent eight universities from different countries. They won their respective Regional Finals which were held in February 2018 in Belgrade (Serbia), Lucerne (Switzerland), Thessaloniki (Greece) and Edinburgh (United Kingdom).

Students from all EU member states participated in the competition. Those who participated in the Regional Finals also included students from non-EU countries, notably the USA, Switzerland, Norway and Ukraine.

The final is the last stage of this competition, which has been held at the Court of Justice for the last 27 years. The winners will receive various prizes, including internships with European Institutions or highly respected law firms specialising in European law.
